

Parking for SCOTG BACK to BIG D 2019

"NO-PARKING" ZONES and Other Cautions

There are quite a few "No parking" zones in front of area businesses, marked by posted signs and/or curb striping.

PLEASE be very careful to observe these zones; towing can be aggressive, and retrieving your car from the impound lot on the weekend is time-consuming, expensive, and frustrating.

PAY LOTS / METERED PARKING
FREE STREET PARKING
"NO PARKING" ZONE
WALKING PATH from DART RAIL STATION to DANCE VENUE (Sons of Hermann Hall)

There are two Pay Lots nearby. Both charge \$5 for Friday night, and \$5 for all day Saturday or Sunday, but each has a different definition of when "night" starts, as well as different **payment procedures**, which should be carefully observed.

Lot A is directly across Exposition from the Sons of Hermann Hall. The 'evening' rate for this lot starts at 3:00 p.m. Lot B is across Main Street, and the evening rate starts at 6:00 p.m.

There are over 40 free parking places within 5 blocks of the hall, but finding an empty one, especially on a weekend evening, is a rare occurrence. However, on Friday evening, if you drive up as local workers are leaving for the day, you may snag a spot. On Saturdays and Sundays these spaces are typically open before 10 a.m.
